

INTERNATIONAL ORDERING

BAC welcomes international orders, however, the following needs to be considered:

Payment terms are normally pre-payment by wire transfer or credit card, though, other arrangements can be made.

We do not ship hazardous or ORMD products outside the contiguous U.S.

We will ship these products to your freight forwarder, via surface, anywhere within the contiguous U.S.

All freight, handling and related import/export charges will be billed to your freight account.

Please feel free to call, email or fax any requests or questions.

Thanks for choosing BAC for your consumables needs...
